Samson Q7X Professional Dynamic Vocal Microphone

Prisvärda och pålitliga dynamiska mikrofoner med stark output, lågt handljud och minimal rundgångsrisk.

The ultimate workhorse, providing exceptional sound reproduction for live and studio vocal and instrument performances. This mic accurately captures a wide dynamic range with tailored mid-range presence. Its supercardioid pickup pattern provides maximum gain before feedback, while an updated body design and multi-axis capsule shockmount minimize handling noise.

- Dynamic vocal microphone with tailored mid-range presence
- Neodymium dynamic mic element for wide dynamic range
- High output, low impedance design
- Supercardioid pickup pattern with excellent off-axis rejection
- Smooth, flat frequency response of 50Hzâ€“16kHz
- Handles high SPLs of up to 150dB for close miking situations
- Improved multi-axis capsule shockmount minimizes handling noise
- Rugged die cast body, hardened steel grille
- Includes mic clip
